Download XRelais 3.1 in the category of Windows software, under the title XRelais 3.1. Version : (2.0) Additional informations : XRelais 3.1 is available for all the Windows systems. Does XRelais contain viruses? Is XRelais safe to download? Is XRelais reliable? Find the answers in the PC-Soft reviews. XRelais is listed on FastFree. Software Description : XRelais is a PDF file (.PA or.DLF) converter. Its XRelais.exe file provides two main features : batch conversion and a built-in viewer to preview the converted PDF files. With XRelais.exe you may convert single file, multiple files, or entire folders with the native PDF files in a very easy way. At the same time, you may save your converted PDF files to a disk or to a file on the web directly. With XRelais, you can generate both.PDF and.PA or.DLF files. In addition, XRelais.exe has an advanced previewer that allows to view the native PDF files. The previewer was especially designed for users that do not know any graphical software and want an intuitive and easy way to preview PDF files. Moreover, you may choose the color of the text and the color of the background of the previewer. And, of course, you may create a.PDF file from the previewer in order to have an exact copy of your document.
Version : XRelais 3.1 (11/05/2007) For Windows 7 and above. Pages : 115. Language : Italian English.
