Ask HN: What's a good (free) policy asperger's quiz? - vram22 I would like to know whether there are any good quizzes for Aspergers, or more generally, for differing IQ levels. I'm talking about the idea of a quiz/evaluation/assessment tool of some sort.It should be something that has fairly granular answers, and that will help generate a score, either because it would be able to estimate an IQ score, or to estimate your personal one-of-a-kind score.For instance, I can see "10" for very basic questions like the names of fruits, etc. And then, there's a category for advanced questions, for example, identifying the rules of some types of puzzles, or something. Stuff like that.The other idea I have in mind is that I can have one single set of questions for my quiz, and then a separate set of questions for my wife's quiz, who has the same level of ASD that I do, but if she scores below a certain level, it would leave more weight to
